Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Exchange Rule 100, Definitions, to make a minor non-substantive edit to the definition for an Electronic Exchange Member in order to provide consistency and clarity within the rule text.

Currently, the rule text for an Electronic Exchange Member in Exchange Rule 100 provides: The term “Electronic Exchange Member means the holder of a Trading Permit who is not a Market Maker. Electronic Exchange Members are deemed “members” under the Exchange Act.<sup>3</sup>

The Exchange proposes to amend the definition for an Electronic Exchange Member in Exchange Rule 100 to insert the abbreviation for Electronic Exchange Member as an “EEM” to provide consistency and clarity within the rule text. With the proposed change, the definition for an Electronic Exchange Member would provide: The term “Electronic Exchange Member” or “EEM” means the holder of a Trading Permit who is not a Market Maker. Electronic Exchange Members are deemed “members” under the Exchange Act.

The proposed change would align the rule text for the definition of an Electronic Exchange Member with the rest of the rule text for MIAX Emerald.

<sup>3</sup> See Exchange Rule 100.

## 2. Statutory Basis

The Exchange believes that its proposed rule change is consistent with Section 6(b) of the Act<sup>4</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act<sup>5</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange is proposing to amend the definition for an Electronic Exchange Member in Exchange Rule 100 to insert the abbreviation for Electronic Exchange Member as an “EEM” to provide consistency and clarity within the rule text. The proposed change would align the rule text for the definition of an Electronic Exchange Member with the rest of the rule text for MIAX Emerald. The Exchange believes its proposal will reduce the potential for confusion by ensuring that all references to an Electronic Exchange Member by its abbreviation as an EEM throughout the rule text conforms to the definition for an Electronic Exchange Member in Exchange Rule 100.

### B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Specifically, the Exchange believes that, by amending the definition for an Electronic Exchange Member in Exchange Rule 100 to insert the abbreviation for Electronic Exchange Member as an “EEM” will provide consistency and clarity within the rule text. The proposed change would

align the rule text for the definition of an Electronic Exchange Member with the rest of the rule text for MIAX Emerald.

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, it has become effective pursuant to 19(b)(3)(A) of the Act<sup>6</sup> and Rule 19b-4(f)(6)<sup>7</sup> thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
