The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the Fee Schedule to make minor, non-substantive edits and clarifying changes to delete references in the Fee Schedule to the “Penny Pilot” and replace those references throughout the Fee Schedule with “Penny Program.”

On May 29, 2020, the Exchange filed a proposal to, among other things, conform its rules to Section 3.1 of the Plan for the Purpose of Developing and Implementing Procedures Designed to Facilitate the Listing and Trading of Standardized Options (the “OLPP”).<sup>3</sup> With that filing, the Exchange, along with all other options exchanges, adopted rule text to codify the OLPP Program in new Exchange Rule 510(c) (Requirements for Penny Interval Program) (the “Penny Program”), which replaced the Penny Pilot and permanently permits the Exchange to quote certain option classes in minimum increments of one cent (\$0.01) and five cents (\$0.05). Accordingly, the Exchange now proposes to delete references in the Fee Schedule to the “Penny Pilot” and replace those references throughout the Fee Schedule with “Penny Program.” The Penny Program is set to become operative on July 1, 2020. The proposed changes would be to references to “Penny Pilot” in Sections 1)a)v), 1)b), and 1)c) of the Fee Schedule. The Exchange

does not propose to amend or change any of its fees. The purpose of these changes is to provide uniformity between the Exchange's rules and the Fee Schedule.

The proposed changes to the Fee Schedule would become operative on July 1, 2020, upon the expiration of the Penny Pilot, in accordance with the Penny Program becoming operational.

## 2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>4</sup> Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>5</sup> requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>6</sup> requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange believes the proposed changes promote just and equitable principles of trade and remove impediments to and perfect the mechanism of a free and open market and a

national market system because the proposed changes make clarifying, non-substantive edits to the Fee Schedule, and conform the Fee Schedule to the Exchange's rulebook. The Exchange believes that these proposed changes will provide greater clarity to Members and the public regarding the Exchange's Fee Schedule and that it is in the public interest for the Fee Schedule to be accurate and concise so as to eliminate the potential for confusion.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not a competitive filing but rather is designed to remedy minor non-substantive issues and provide added clarity to the Fee Schedule in order to avoid potential confusion on the part of market participants. In addition, the Exchange does not believe the proposal will impose any burden on inter-market competition as the proposal does not address any competitive issues and is intended to protect investors by providing further transparency regarding the Exchange's Fee Schedule.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act,<sup>7</sup> and Rule 19b-4(f)(2)<sup>8</sup> thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears
