3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

a. Purpose

The Exchange proposes to amend Interpretation and Policy .13 (Temporary Extension of the Limited Period for Registered Persons to Function as Principals) to Exchange Rule 1900, Registration Requirements, to extend the expiration date of the temporary amendment set forth in SR-MIAX-2020-42 from April 30, 2021 to June 30, 2021. The proposed rule change would extend the 120-day period that certain individuals can function as principals without having successfully passed an appropriate qualification examination through June 30, 2021³, and would apply only to those individuals who were designated to function as principals prior to March 3, 2021. This proposed rule change is based on a filing recently submitted by the Financial Industry Regulatory Authority, Inc. (“FINRA”)⁴ and is intended to harmonize the Exchange’s registration rules with those of FINRA so as to promote uniform standards across the securities industry.

³ See SR-FINRA-2021-005 (the “FINRA Filing”). The Exchange notes that the FINRA Filing also provides temporarily relief to individuals registered with FINRA as Operations Professionals under FINRA Rule 1220. The Exchange does not have a registration category for Operations Professionals and therefore, the Exchange is not proposing to adopt that aspect of the FINRA Filing. If the Exchange seeks to provide additional temporary relief from the rule requirement identified in this proposal beyond June 30, 2021, it will submit a separate rule filing to further extend the temporary extension of time.

⁴ See id.

In response to the COVID-19 global pandemic, last year FINRA began providing temporary relief by way of frequently asked questions (“FAQs”)⁵ to address disruptions to the administration of FINRA qualification examinations caused by the pandemic that have significantly limited the ability of individuals to sit for examinations due to Prometric test center capacity issues.⁶

FINRA published the first FAQ on March 20, 2020, providing that individuals who were designated to function as principals under FINRA Rule 1210.04⁷ prior to February 2, 2020, would be given until May 31, 2020, to pass the appropriate principal qualification examination.⁸ On May 19, 2020, FINRA extended the relief to pass the appropriate examination until June 30, 2020. On June 29, 2020, FINRA again extended the temporary relief providing that individuals who were designated to function as principals under FINRA Rule 1210.04 prior to May 4, 2020, would be given until August 31, 2020, to pass the appropriate principal qualification examination. On August 28, 2020, FINRA filed with the Commission a proposed rule change for immediate effectiveness to extend the temporary relief provided via the two FAQs by

⁵ See <https://www.finra.org/rules-guidance/key-topics/covid-19/faq#qe>.

⁶ At the outset of the COVID-19 pandemic, all FINRA qualification examinations were administered at test centers operated by Prometric. Based on the health and welfare concerns resulting from COVID-19, in March 2020 Prometric closed all of its test centers in the United States and Canada and began to slowly reopen some of them at limited capacity in May. Currently, Prometric has resumed testing in many of its United States and Canada test centers, at either full or limited occupancy, based on local and government mandates.

⁷ Exchange Rule 1900, Interpretation and Policy .04, is the corresponding rule to FINRA Rule 1210.04.

⁸ FINRA Rule 1210.04 (Requirements for Registered Persons Functioning as Principals for a Limited Period) allows a FINRA-member firm to designate certain individuals to function in a principal capacity for 120 calendar days before having to pass an appropriate principal qualification examination. Exchange Rule 1900, Interpretation and Policy .04, provides the same allowance to Exchange Members.

adopting: (1) temporary Supplementary Material .12 (Temporary Extension of the Limited Period for Registered Persons to Function as Principals) under FINRA Rule 1210 (Registration Requirements), and (2) temporary Supplementary Material .07 (Temporary Extension of the Limited Period for Persons to Function as Operations Professionals) under FINRA Rule 1220 (Registration Categories).⁹ Pursuant to this rule filing, individuals who were designated prior to September 3, 2020, to function as a principal under FINRA Rule 1210.04 would have until December 31, 2020, to pass the appropriate qualification examination.

Thereafter, on December 9, 2020, FINRA filed with the Commission a proposed rule change for immediate effectiveness to extend the limited period for registered persons to function as a principal through April 30, 2021.¹⁰ Pursuant to this rule filing, individuals who were designated prior to January 1, 2021 to function as a principal would have until April 30, 2021 to pass the appropriate qualifying examination. On December 28, 2020, the Exchange filed with the Commission a proposed rule change for immediate effectiveness to extend the limited period for registered persons to function as a principal through April 30, 2021.¹¹

The Exchange continues to closely monitor the impact of the COVID-19 pandemic on Members¹², investors, and other stakeholders. The Exchange initially provided temporary relief to address the interruptions in the administration of FINRA qualification examinations at

Prometric test centers and the limited ability of individuals to sit for the examinations caused by the COVID-19 pandemic.¹³ As mentioned in the previous FINRA filing (SR-FINRA-2021-005), FINRA noted that the pandemic could result in firms potentially experiencing significant disruptions to their normal business operations that may be exacerbated by being unable to keep principal positions filled. Specifically, FINRA noted that the limitation of in-person activities and staff absenteeism as a result of the health and welfare concerns stemming from COVID-19 could result in firms having difficulty finding other qualified individuals to transition into those roles or requiring them to reallocate employee time and resources away from other critical responsibilities at the firm's organization.

While there are signs of improvement, the COVID-19 conditions necessitating the temporary relief persist and the Exchange has determined that there is a continued need for this temporary relief beyond April 30, 2021. Although Prometric has resumed testing in many of its U.S. test centers, Prometric's safety practices mean that currently not all test centers are open, some of the open test centers are at limited capacity, and some open test centers are delivering only certain examinations that have been deemed essential by the local government.¹⁴ In addition, while certain states have started to ease COVID-19 restrictions on businesses and social

activities, public health officials continue to emphasize the importance for individuals to keep taking numerous steps to protect themselves and help slow the spread of the disease.¹⁵

Although the COVID-19 conditions necessitating the temporary relief persist, the Exchange believes that an extension of the relief is necessary only until June 30, 2021, because FINRA recently expanded the availability of online examinations. Prior to this expansion, the ongoing effects of the pandemic made it impracticable for Members to ensure that the individuals who they had designated to function in a principal capacity, as set forth in Exchange Rule 1900, Interpretation and Policy .04, could successfully sit for and pass an appropriate qualification examination within the 120-calendar day period required under the rules.¹⁶ Specifically, if the individual wanted to take a qualifying examination, they were required to accept the health risks associated with taking an in-person examination because those examinations were not available online. On February 24, 2021, however, FINRA adopted an interim accommodation request process to allow candidates to take additional FINRA examinations online, including the General Securities Principal (“Series 24”) and Operations Professional (“Series 99”) examinations.¹⁷ Because the Series 24 qualifying examination has been made available online only recently, the Exchange is concerned that individuals who have been designated to function in a principal capacity may not have sufficient time to schedule, study for, and take the applicable examination before April 30, 2021, the date the temporary amendment is set to expire. Therefore, the Exchange proposes to extend the expiration date of

the temporary amendment set forth in Exchange Rule 1900, Interpretation and Policy .13, from April 30, 2021 until June 30, 2021. The proposed rule change would apply only to those individuals who have been designated to function as a principal prior to March 3, 2021. As noted above, the Exchange does not anticipate providing any further extensions to the temporary amendment and any individuals designated to function as a principal on or after March 3, 2021, will need to successfully pass an appropriate qualification examination within 120 days.

The Exchange believes that this proposed continued extension of time is tailored to address the needs and constraints on a Member's operations during the COVID-19 pandemic, without significantly compromising critical investor protection. The proposed extension of time will help to minimize the impact of COVID-19 on Members by providing continued flexibility so that Members can ensure that principal positions remain filled. The potential risks from the proposed extension of the 120-day period are mitigated by a Member's continued requirement to supervise the activities of these designated individuals and ensure compliance with federal securities laws and regulations, as well as Exchange and FINRA rules.

The Exchange has filed the proposed rule change for immediate effectiveness and has requested that the Commission waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing, so the Exchange can implement the proposed rule change immediately.

b. Statutory Basis

The Exchange believes that its proposed rule change is consistent with Section 6(b) of the Act¹⁸ in general, and furthers the objectives of Section 6(b)(5) of the Act¹⁹ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest.

The proposed rule change is intended to minimize the impact of COVID-19 on Member operations by further extending the 120-day period certain individuals may function as a principal without having successfully passed an appropriate qualification examination under Exchange Rule 1900, Interpretation and Policy .04, until June 30, 2021. The proposed rule change does not relieve Members from maintaining, under the circumstances, a reasonably designed system to supervise the activities of their associated persons to achieve compliance with applicable securities laws and regulations, and with applicable Exchange and FINRA rules that directly serve investor protection. In a time when faced with unique challenges resulting from the COVID-19 pandemic, the Exchange believes that the proposed rule change is a sensible accommodation that will continue to afford Members the ability to ensure that critical positions are filled and client services maintained, while continuing to serve and promote the protection of investors and the public interest in this unique environment.

4. Self-Regulatory Organization's Statement on Burden on Competition

¹⁸ 15 U.S.C. 78f(b).

¹⁹ 15 U.S.C. 78f(b)(5).

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is intended to provide temporary relief given the impacts of the COVID-19 pandemic crisis and to also maintain consistency with the rules of other self-regulatory organizations (“SROs”) with respect to the registration requirements applicable to Members and their registered personnel. In that regard, the Exchange believes that any burden on competition would be clearly outweighed by providing Members with temporary relief in this unique environment while also ensuring clear and consistent requirements applicable across SROs and mitigating any risk of SROs implementing different standards in these important areas. In its filings, FINRA provides an abbreviated economic impact assessment maintaining that the changes are necessary to temporarily rebalance the attendant benefits and costs of the obligations under FINRA Rule 1210 in response to the impacts of the COVID-19 pandemic that is equally applicable to the changes the Exchange proposes.²⁰ The Exchange accordingly incorporates FINRA’s abbreviated economic impact assessment by reference.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were either solicited or received.

6. Extension of Time Period for Commission Action

Not applicable.

²⁰ See supra notes 3 and 10; see also Exchange Act Release Nos. 89732 (September 1, 2020), 85 FR 55535 (September 8, 2020) (SR-FINRA-2020-26).

7. **Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)**

Pursuant to Section 19(b)(3)(A) of the Act²¹ and Rule 19b-4(f)(6)²² thereunder, the Exchange has designated this proposal as one that effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.

The Exchange believes that this proposal is non-controversial and eligible to become effective immediately because it promotes uniformity in standards for registration requirements across self-regulatory organizations. The Exchange further believes that the proposed rule change would not significantly affect the protection of investors or the public interest or impose any significant burden on competition because it is based on a recent filing submitted by FINRA.²³

The Exchange requests that the Commission waive the 30-day operative delay in order to ensure that the proposed rule change may become operative immediately. Waiver of the operative delay would allow the proposed rule change to be in effect on the date of filing to extend the temporary relief to Members during these unique circumstances resulting from the COVID-19 pandemic. The Exchange notes that the Commission granted the Exchange's request

²¹ 15 U.S.C. 78s(b)(3)(A).

²² 17 CFR 240.19b-4(f)(6).

²³ See supra note 3.

for waiver of the 30-day delay in the Exchange's previous rule change that provided temporary relief from the requirement to pass certain qualification examinations within the 120-day period.²⁴ The ongoing extenuating circumstances of the COVID-19 pandemic make it impractical to ensure that individuals designated to act as principals are able to take and pass the appropriate qualification examination during the 120-calendar day period required under the rules. Although Prometric has resumed testing in many of its U.S. test centers, Prometric's safety practices mean that currently not all test centers are open, some of the open test centers are at limited capacity, and some open test centers are delivering only certain examinations that have been deemed essential by the local government.²⁵ In addition, while certain states have started to ease COVID-19 restrictions on businesses and social activities, public health officials continue to emphasize the importance for individuals to keep taking numerous steps to protect themselves and help slow the spread of the disease.²⁶ Further, Prometric test centers have experienced serious interruptions in the administration of FINRA qualification examinations, resulting in a backlog of individuals waiting to take these examinations. Following a nationwide closure of all test centers earlier in the year, some test centers have re-opened, but are operating at limited capacity or are only delivering certain examinations that have been deemed essential by the local government.²⁷ While FINRA has launched an online test delivery service to help address this backlog, the General Securities Principal ("Series 24") examination has been made available online only recently. The Exchange is concerned that individuals who have been designated to

²⁷ See supra notes 13 and 14.

function in a principal capacity may not have sufficient time to schedule, study for, and take the applicable examination before April 30, 2021, the date the temporary amendments are set to expire. The Exchange notes that the temporary proposed rule change will provide needed flexibility to ensure that principal positions remain filled and is tailored to address the constraints on Members' operations during the COVID-19 pandemic without significantly compromising critical investor protection. The proposed rule change would apply only to those individuals who have been designated to function as a principal prior to March 3, 2021. As noted above, the Exchange does not anticipate providing any further extensions to the temporary amendment and any individuals designated to function as a principal on or after March 3, 2021, will need to successfully pass an appropriate qualification examination within 120 days. Accordingly, because the proposal does not raise any new or novel regulatory or substantive issues, the Exchange believes the proposed rule change is non-controversial and is therefore eligible for immediately effective treatment under the Commission's current procedures for processing rule filings.

Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement. Furthermore, a proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act²⁸ normally does not become operative for 30 days after the date of its filing. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the

Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

(Release No. 34- ; File No. SR-MIAX-2021-13)

April_____, 2021

Self-Regulatory Organizations: Notice of Filing and Immediate Effectiveness of a Proposed Rule Change by Miami International Securities Exchange, LLC to Amend Interpretation and Policy .13 (Temporary Extension of the Limited Period for Registered Persons to Function as Principals) to Exchange Rule 1900, Registration Requirements, to Extend The Expiration Date of The Temporary Amendment Set forth in SR-MIAX-2020-42 from April 30, 2021 to June 30, 2021

Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 21, 2021, Miami International Securities Exchange, LLC (“MIAX” or the “Exchange”) filed with the Securities and Exchange Commission (“Commission”) a proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing a proposal to amend Interpretation and Policy .13 (Temporary Extension of the Limited Period for Registered Persons to Function as Principals) to Exchange Rule 1900, Registration Requirements, to extend the expiration date of the temporary amendment set forth in SR-MIAX-2020-42 from April 30, 2021 to June 30, 2021. The Exchange does not anticipate providing any further extensions to the temporary amendment identified in this proposed rule change beyond June 30, 2021.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

The text of the proposed rule change is available on the Exchange's website at <http://www.miaxoptions.com/rule-filings/> at MIAX's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Interpretation and Policy .13 (Temporary Extension of the Limited Period for Registered Persons to Function as Principals) to Exchange Rule 1900, Registration Requirements, to extend the expiration date of the temporary amendment set forth in SR-MIAX-2020-42 from April 30, 2021 to June 30, 2021. The proposed rule change would extend the 120-day period that certain individuals can function as principals without having successfully passed an appropriate qualification examination through June 30, 2021³, and would apply only to those individuals who were designated to function as principals prior to March 3,

³ See SR-FINRA-2021-005 (the "FINRA Filing"). The Exchange notes that the FINRA Filing also provides temporarily relief to individuals registered with FINRA as Operations Professionals under FINRA Rule 1220. The Exchange does not have a registration category for Operations Professionals and therefore, the Exchange is not proposing to adopt that aspect of the FINRA Filing. If the Exchange seeks to provide additional temporary relief from the rule requirement identified in this proposal beyond June 30, 2021, it will submit a separate rule filing to further extend the temporary extension of time.

2021. This proposed rule change is based on a filing recently submitted by the Financial Industry Regulatory Authority, Inc. (“FINRA”)⁴ and is intended to harmonize the Exchange’s registration rules with those of FINRA so as to promote uniform standards across the securities industry.

In response to the COVID-19 global pandemic, last year FINRA began providing temporary relief by way of frequently asked questions (“FAQs”)⁵ to address disruptions to the administration of FINRA qualification examinations caused by the pandemic that have significantly limited the ability of individuals to sit for examinations due to Prometric test center capacity issues.⁶

FINRA published the first FAQ on March 20, 2020, providing that individuals who were designated to function as principals under FINRA Rule 1210.04⁷ prior to February 2, 2020, would be given until May 31, 2020, to pass the appropriate principal qualification examination.⁸ On May 19, 2020, FINRA extended the relief to pass the appropriate examination until June 30, 2020. On June 29, 2020, FINRA again extended the temporary relief providing that individuals

⁶ At the outset of the COVID-19 pandemic, all FINRA qualification examinations were administered at test centers operated by Prometric. Based on the health and welfare concerns resulting from COVID-19, in March 2020 Prometric closed all of its test centers in the United States and Canada and began to slowly reopen some of them at limited capacity in May. Currently, Prometric has resumed testing in many of its United States and Canada test centers, at either full or limited occupancy, based on local and government mandates.

⁷ Exchange Rule 1900, Interpretation and Policy .04, is the corresponding rule to FINRA Rule 1210.04.

⁸ FINRA Rule 1210.04 (Requirements for Registered Persons Functioning as Principals for a Limited Period) allows a FINRA-member firm to designate certain individuals to function in a principal capacity for 120 calendar days before having to pass an appropriate principal qualification examination. Exchange Rule 1900, Interpretation and Policy .04, provides the same allowance to Exchange Members.

who were designated to function as principals under FINRA Rule 1210.04 prior to May 4, 2020, would be given until August 31, 2020, to pass the appropriate principal qualification examination. On August 28, 2020, FINRA filed with the Commission a proposed rule change for immediate effectiveness to extend the temporary relief provided via the two FAQs by adopting: (1) temporary Supplementary Material .12 (Temporary Extension of the Limited Period for Registered Persons to Function as Principals) under FINRA Rule 1210 (Registration Requirements), and (2) temporary Supplementary Material .07 (Temporary Extension of the Limited Period for Persons to Function as Operations Professionals) under FINRA Rule 1220 (Registration Categories).⁹ Pursuant to this rule filing, individuals who were designated prior to September 3, 2020, to function as a principal under FINRA Rule 1210.04 would have until December 31, 2020, to pass the appropriate qualification examination.

Thereafter, on December 9, 2020, FINRA filed with the Commission a proposed rule change for immediate effectiveness to extend the limited period for registered persons to function as a principal through April 30, 2021.¹⁰ Pursuant to this rule filing, individuals who were designated prior to January 1, 2021 to function as a principal would have until April 30, 2021 to pass the appropriate qualifying examination. On December 28, 2020, the Exchange filed with the Commission a proposed rule change for immediate effectiveness to extend the limited period for registered persons to function as a principal through April 30, 2021.¹¹

The Exchange continues to closely monitor the impact of the COVID-19 pandemic on Members¹², investors, and other stakeholders. The Exchange initially provided temporary relief to address the interruptions in the administration of FINRA qualification examinations at Prometric test centers and the limited ability of individuals to sit for the examinations caused by the COVID-19 pandemic.¹³ As mentioned in the previous FINRA filing (SR-FINRA-2021-005), FINRA noted that the pandemic could result in firms potentially experiencing significant disruptions to their normal business operations that may be exacerbated by being unable to keep principal positions filled. Specifically, FINRA noted that the limitation of in-person activities and staff absenteeism as a result of the health and welfare concerns stemming from COVID-19 could result in firms having difficulty finding other qualified individuals to transition into those roles or requiring them to reallocate employee time and resources away from other critical responsibilities at the firm's organization.

While there are signs of improvement, the COVID-19 conditions necessitating the temporary relief persist and the Exchange has determined that there is a continued need for this temporary relief beyond April 30, 2021. Although Prometric has resumed testing in many of its U.S. test centers, Prometric's safety practices mean that currently not all test centers are open, some of the open test centers are at limited capacity, and some open test centers are delivering only certain examinations that have been deemed essential by the local government.¹⁴ In

¹² The term "Member" means an individual or organization approved to exercise the trading rights associated with a Trading Permit. Members are deemed "members" under the Exchange Act. See Exchange Rule 100.

¹³ Information about the continued impact of COVID-19 on FINRA-administered examinations is available at <https://www.finra.org/rules-guidance/keytopics/covid-19/exams>.

addition, while certain states have started to ease COVID-19 restrictions on businesses and social activities, public health officials continue to emphasize the importance for individuals to keep taking numerous steps to protect themselves and help slow the spread of the disease.¹⁵

Although the COVID-19 conditions necessitating the temporary relief persist, the Exchange believes that an extension of the relief is necessary only until June 30, 2021, because FINRA recently expanded the availability of online examinations. Prior to this expansion, the ongoing effects of the pandemic made it impracticable for Members to ensure that the individuals who they had designated to function in a principal capacity, as set forth in Exchange Rule 1900, Interpretation and Policy .04, could successfully sit for and pass an appropriate qualification examination within the 120-calendar day period required under the rules.¹⁶ Specifically, if the individual wanted to take a qualifying examination, they were required to accept the health risks associated with taking an in-person examination because those examinations were not available online. On February 24, 2021, however, FINRA adopted an interim accommodation request process to allow candidates to take additional FINRA examinations online, including the General Securities Principal (“Series 24”) and Operations Professional (“Series 99”) examinations.¹⁷ Because the Series 24 qualifying examination has been made available online only recently, the Exchange is concerned that individuals who have been designated to function in a principal capacity may not have sufficient time to schedule, study for, and take the applicable examination before April 30, 2021, the date the temporary amendment is set to expire. Therefore, the Exchange proposes to extend the expiration date of

the temporary amendment set forth in Exchange Rule 1900, Interpretation and Policy .13, from April 30, 2021 until June 30, 2021. The proposed rule change would apply only to those individuals who have been designated to function as a principal prior to March 3, 2021. As noted above, the Exchange does not anticipate providing any further extensions to the temporary amendment and any individuals designated to function as a principal on or after March 3, 2021, will need to successfully pass an appropriate qualification examination within 120 days.

The Exchange believes that this proposed continued extension of time is tailored to address the needs and constraints on a Member's operations during the COVID-19 pandemic, without significantly compromising critical investor protection. The proposed extension of time will help to minimize the impact of COVID-19 on Members by providing continued flexibility so that Members can ensure that principal positions remain filled. The potential risks from the proposed extension of the 120-day period are mitigated by a Member's continued requirement to supervise the activities of these designated individuals and ensure compliance with federal securities laws and regulations, as well as Exchange and FINRA rules.

The Exchange has filed the proposed rule change for immediate effectiveness and has requested that the Commission waive the requirement that the proposed rule change not become operative for 30 days after the date of the filing, so the Exchange can implement the proposed rule change immediately.

2. Statutory Basis

The Exchange believes that its proposed rule change is consistent with Section 6(b) of the Act¹⁸ in general, and furthers the objectives of Section 6(b)(5) of the Act¹⁹ in particular, in that it

¹⁸ 15 U.S.C. 78f(b).

¹⁹ 15 U.S.C. 78f(b)(5).

is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanisms of a free and open market and a national market system and, in general, to protect investors and the public interest.

The proposed rule change is intended to minimize the impact of COVID-19 on Member operations by further extending the 120-day period certain individuals may function as a principal without having successfully passed an appropriate qualification examination under Exchange Rule 1900, Interpretation and Policy .04, until June 30, 2021. The proposed rule change does not relieve Members from maintaining, under the circumstances, a reasonably designed system to supervise the activities of their associated persons to achieve compliance with applicable securities laws and regulations, and with applicable Exchange and FINRA rules that directly serve investor protection. In a time when faced with unique challenges resulting from the COVID-19 pandemic, the Exchange believes that the proposed rule change is a sensible accommodation that will continue to afford Members the ability to ensure that critical positions are filled and client services maintained, while continuing to serve and promote the protection of investors and the public interest in this unique environment.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is intended to provide temporary relief given the impacts of the COVID-19 pandemic crisis and to also maintain consistency with the rules of other self-regulatory organizations (“SROs”) with respect to the registration requirements applicable to Members and their registered personnel. In that regard, the Exchange believes that any burden on competition

would be clearly outweighed by providing Members with temporary relief in this unique environment while also ensuring clear and consistent requirements applicable across SROs and mitigating any risk of SROs implementing different standards in these important areas. In its filings, FINRA provides an abbreviated economic impact assessment maintaining that the changes are necessary to temporarily rebalance the attendant benefits and costs of the obligations under FINRA Rule 1210 in response to the impacts of the COVID-19 pandemic that is equally applicable to the changes the Exchange proposes.²⁰ The Exchange accordingly incorporates FINRA's abbreviated economic impact assessment by reference.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, it has become effective pursuant to 19(b)(3)(A) of the Act²¹ and Rule 19b-4(f)(6)²² thereunder.

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative for 30 days after the date of filing. However, pursuant to Rule 19b-4(f)(6)(iii), the Commission

²⁰ See supra notes 3 and 10; see also Exchange Act Release Nos. 89732 (September 1, 2020), 85 FR 55535 (September 8, 2020) (SR-FINRA-2020-26).

²¹ 15 U.S.C. 78s(b)(3)(A).

²² 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange requests that the Commission waive the 30-day operative delay in order to ensure that the proposed rule change may become operative immediately. Waiver of the operative delay would allow the proposed rule change to be in effect on the date of filing to extend the temporary relief to Members during these unique circumstances resulting from the COVID-19 pandemic. The Exchange notes that the Commission granted the Exchange's request for waiver of the 30-day delay in the Exchange's previous rule change that provided temporary relief from the requirement to pass certain qualification examinations within the 120-day period.²³ The ongoing extenuating circumstances of the COVID-19 pandemic make it impractical to ensure that individuals designated to act as principals are able to take and pass the appropriate qualification examination during the 120-calendar day period required under the rules. Although Prometric has resumed testing in many of its U.S. test centers, Prometric's safety practices mean that currently not all test centers are open, some of the open test centers are at limited capacity, and some open test centers are delivering only certain examinations that have been deemed essential by the local government.²⁴ In addition, while certain states have started to ease COVID-19 restrictions on businesses and social activities, public health officials continue to emphasize the importance for individuals to keep taking numerous steps to protect themselves and help slow the spread of the disease.²⁵ Further, Prometric test centers have experienced serious interruptions in the administration of FINRA qualification examinations, resulting in a backlog of individuals waiting to take these examinations. Following a nationwide closure of all test centers earlier in the year, some test centers have re-opened, but are operating at limited

²³ See supra note 11.

²⁴ See supra note 14.

²⁵ See supra note 15.

capacity or are only delivering certain examinations that have been deemed essential by the local government.²⁶ While FINRA has launched an online test delivery service to help address this backlog, the General Securities Principal (“Series 24”) examination has been made available online only recently. The Exchange is concerned that individuals who have been designated to function in a principal capacity may not have sufficient time to schedule, study for, and take the applicable examination before April 30, 2021, the date the temporary amendments are set to expire. The Exchange notes that the temporary proposed rule change will provide needed flexibility to ensure that principal positions remain filled and is tailored to address the constraints on Members’ operations during the COVID-19 pandemic without significantly compromising critical investor protection. The proposed rule change would apply only to those individuals who have been designated to function as a principal prior to March 3, 2021. As noted above, the Exchange does not anticipate providing any further extensions to the temporary amendment and any individuals designated to function as a principal on or after March 3, 2021, will need to successfully pass an appropriate qualification examination within 120 days. Accordingly, because the proposal does not raise any new or novel regulatory or substantive issues, the Exchange believes the proposed rule change is non-controversial and is therefore eligible for immediately effective treatment under the Commission’s current procedures for processing rule filings.

The Exchange further believes that the proposed rule change would not significantly affect the protection of investors or the public interest or impose any significant burden on competition because it is based on a recent filing submitted by FINRA.²⁷

²⁶ See supra notes 13 and 14.

²⁷ See supra note 3.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
