Self-Regulatory Organizations; Miami International Securities Exchange LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change by to Amend Its Fee Schedule

Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 29, 2021, Miami International Securities Exchange LLC (“MIAX” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) a proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing a proposal to amend the MIAX Options Fee Schedule (the “Fee Schedule”) to reflect adjustments to the Financial Industry Regulatory Authority (“FINRA”) Registration Fees.³

While the changes proposed herein are effective upon filing, the Exchange has designated the amendments to become operative on January 2, 2022.⁴

The text of the proposed rule change is available on the Exchange’s website at <http://www.miaxoptions.com/rule-filings>, at MIAX’s principal office, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Section 2)c) of the Fee Schedule, Web CRD Fees, to reflect adjustments to the FINRA Registration Fees.⁵ The FINRA fees are collected and retained by FINRA via Web Central Registration Depository (“CRD”) for the registration of associated persons of MIAX Electronic Exchange Member⁶ and Market Maker⁷ organizations that are not also FINRA members (“Non-FINRA members”).⁸ The Exchange merely lists these fees in its Fee Schedule. The Exchange does not collect or retain these fees.

⁵ Id.

⁶ “Electronic Exchange Member” means the holder of a Trading Permit who is not a Market Maker. Electronic Exchange Members are deemed “members” under the Exchange Act. See Exchange Rule 100.

⁷ “Market Makers” means “Lead Market Makers,” “Primary Lead Market Makers” and “Registered Market Makers” collectively. See Exchange Rule 100.

⁸ See Securities Exchange Act Release No. 68415 (December 12, 2012), 77 FR 74905 (December 18, 2012) (SR-MIAX-2012-01).

Since January 2, 2013, FINRA has assessed, and the Exchange has listed in its Fee Schedule, a \$100 fee for the FINRA CRD process [sic] fee.⁹ This fee is for all initial, transfer, relicense, and dual registration Form U4 filings.¹⁰ This fee is assessed when a non-FINRA firm (i.e., a firm that is not a member of FINRA) submits its first initial, transfer, relicense, or dual registration Form U4 filing on behalf of a registered person.¹¹

The Exchange now proposes to amend, under the General Registration Fees in Section 2)c) of the Fee Schedule, the FINRA CRD Processing Fee from \$100 to \$125 for each initial Form U4 filed for the registration of a representative or principal. This amendment is made in accordance with a recent FINRA rule change to adjust its fees.¹²

The FINRA fees are collected and retained by FINRA via Web CRD for the registration of employees of the Exchange who are Non-FINRA members. The FINRA Web CRD Fees are user-based, and there is no distinction in the cost incurred by FINRA if the user is a FINRA member or a Non-FINRA member. Accordingly, the proposed fees mirror those currently assessed by FINRA. The Exchange merely lists these fees in its Fee Schedule. The Exchange does not collect or retain these fees.

Implementation

The proposed rule change will become operative on January 2, 2022.

⁹ See id.

¹² Id. FINRA operates Web CRD, the central licensing and registration system for the U.S. securities industry. FINRA uses Web CRD to maintain the qualification, employment and disciplinary histories of registered associated persons of broker-dealers. FINRA noted in its rule change that it was adjusting its fees to provide sustainable funding for FINRA's regulatory mission.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.¹³ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)¹⁴ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)¹⁵ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange believes it is reasonable to increase the \$100 fee for each initial Form U4 filed for the registration of a representative or principal to \$125 in accordance with an adjustment to FINRA's fees. The Exchange's rule text will reflect the current registration rate that will be assessed by FINRA as of January 2, 2022. The proposed fee change is identical to that adopted by FINRA for use of Web CRD for the registration of FINRA members and their associated persons. These costs are borne by FINRA when a Non-FINRA member uses Web CRD.

The Exchange believes that its proposal to increase the \$100 fee for each initial Form U4 filed for the registration of a representative or principal to \$125 is equitable and not unfairly

¹⁴ 15 U.S.C. 78f(b)(5).

¹⁵ Id.

discriminatory as the amendment will reflect the current fee that will be assessed by FINRA to all members who require Form U4 filings as of January 2, 2022. Further, the proposal is also equitable and not unfairly discriminatory because the Exchange will not be collecting or retaining these fees; therefore, the Exchange will not be in a position to apply them in an inequitable or unfairly discriminatory manner. The proposed rule change was based on recent fee adjustments currently assessed by FINRA.¹⁶ Thus, the proposed change does not raise any new or novel issues. For these reasons, the Exchange believes that the proposal is consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that its proposal to increase the \$100 fee for each initial Form U4 filed for the registration of a representative or principal to \$125 does not impose an undue burden on competition as the amendment will reflect the current fee that will be assessed by FINRA to all members who require Form U4 filings as of January 2, 2022. Further, the proposal does not impose an undue burden on competition because the Exchange will not be collecting or retaining these fees; therefore, the Exchange will not be in a position to apply them in an inequitable or unfairly discriminatory manner.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

¹⁶ See supra note 4.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act,¹⁷ and Rule 19b-4(f)(2)¹⁸ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
