RE: Pilot Report of Obvious Errors and Catastrophic Errors During Limit or Straddle States – August 2015

Dear Ms. Murphy:

The Miami International Securities Exchange, LLC (“MIAX” or the “Exchange”) respectfully submits the following pilot report to the SEC and the public that includes a dataset containing the data for each Straddle and Limit State in optionable stocks found in Appendix A.

MIAX has evaluated the impact of Limit and Straddle States and assessed the impact of the operation of obvious and catastrophic error rules during such periods. MIAX observed thirty-nine (39) reportable activities during the month of August 2015 that would support any impact of Limit and Straddle States and the impact of the operation of obvious and catastrophic error rules.

If you have any questions or comments, please contact me at (609) 897-1466.

Sincerely,

A handwritten signature in blue ink, appearing to read "Edward Deitzel". The signature is fluid and cursive, with a long horizontal stroke at the end.

Edward Deitzel
Executive Vice President
Chief Regulatory Officer

cc: David Shillman
Heidi Pilpel

Appendix A

Obvious and Catastrophic Errors During Limit and Straddle States

For the month of August 2015, the Exchange collected the following dataset containing the data for each Straddle and Limit State in optionable stocks.
