RE: Pilot Report of Obvious Errors and Catastrophic Errors During Limit or Straddle States – June 2013

Dear Ms. Murphy:

The Miami International Securities Exchange LLC (“MIAX “ or “Exchange”) respectfully submits the following pilot report to the SEC and the public that includes a dataset containing the data for each Straddle and Limit State in optionable stocks found in Appendix A.

MIAX has evaluated the impact of Limit and Straddle States and assessed the impact of the operation of obvious and catastrophic error rules during such periods. MIAX observed no reportable activity or data during the month of June 2013 that would support any impact of Limit and Straddle States and the impact of the operation of obvious and catastrophic error rules.

If you have any questions or comments, please contact Richard S. Rudolph, Senior Counsel at (609) 897-1487.

Sincerely,

A handwritten signature in black ink, appearing to read "Edward Deitzel". The signature is fluid and cursive, with a large loop at the end.
